Al Ford Peliow and Randolph eyery of a diagonated, a subsected tay by the great liver. Market control of Randolph and the great liver. Market control of Randolph R malences be the remained of the carte change in the question-mannelly arries a by this is a law leades to be explain the mystery. The Conservatives were taken aback by he bill sentranchaing the negro. Before this could wan passed, they fill certain of success his fall at the pells, and they ware lamburate in the country of the country THE GREAT FIRE AT CAIRO (From the Cairo Democrat, July 20.]
Kesterday morning our city was the scen fa destructive confagration. About forty we minutes past three o'clock, Chief o olice, Hewitt, observed smoke rolling from of a considerive consegnation. About lorty, the minutes past three so clock, Claife of the minutes and the control of the basemant of smither another colling from the basemant of smither another colling from the basemant of smither and twelfing from the basemant of smither and twelfing from the control of the colling was wrapped in finales; which had communicated to the colling two properties of the colling was wrapped in finales; which had communicated to the colling two collings and the same of the colling was wrapped in finales; which had communicated to the wind of the late and control of the colling was contained and the same of the same of the wind was considered fire proof, also the colling and the finales of the farme the colling of the colling of the decidered fire proof, also the collings of the farme the collings of the farme the collings of the farme the collings of the farme, which Riverally eavelooped its cracked the walls, tore away the iron shutters from the irser windows, and soon convinced the specialors that neither water, nor brick walls, nor iron shutters, could with stat their farms, the farme house of the farme possess of the farme the collings of the farme possess of the farme the farme of the work of the color, and from the coll the farm the farme of the farme possess of the foot, and from thence to the house of Amenia B. Signasso; themes to the house of the south farms building and so house the collection of the south farms building and for the collection of the south farms building of lease Money, est which is held for the embouragement of this enterprise, and will be promptly donated. Individual and county subscriptions can be relied on toe \$150.00 inore, white will give, taking our lands at their present valve, an aggregate for the county of very \$200,000. Hamilton County can be relied on for as much more. Actives and liation, between them, will swell the amount to \$1,000,000. Cour people, then of our weekliness and many widely known estigates that expressed his willingness to miderate, to raise along the lines a donation of \$200,000, payable on the completion of the road. This attention is at man of great wealth, and will accomplish whatever he undertakes as it matter of the washville someoften of the lines. The proposition has been made tower to Mr. Duplaca, Fresidents of the lines of the washville someoften at Madiscardia, and which is really the most powerin as low difficulties as the line from Centralist to Sunth the Expansible & new temperature of the subscription of the power of the subscription of the power of the subscription of the power of the subscription of the subscr made for his accommodation, and more particularly with the breaty of the decreations in the Floral Hall.

The Hebri-Copperh ad-States-Hights-Management of the Hall.

The Hebri-Copperh ad-States-Hights-Management of the Hall of the Hal Colored vote Color A year ago Cougress passed a law for the appearance of the property of the appearance of the property of the appearance of the sentence of the property of the and codify the statutes at large. Three and codify the statutes at large. Three and codify the statutes at large. Three appointed Caleb Cushing, of Massachaestta, and two Ohlo goulemen. Jadgas Johnson and James, to do the work, and they have and James to to the two and James, to do the work, and they have and James to the the statutes of the sentence than five years inches of the Commission for the mesertion that it will take more than far by para inches of the tweeter of a bat large-quied of them. Most of the taws have to be re-written from the enabling to the final clause, in order the reader their tries, we set a derived, or the sentence than structure of the sentence than structure of the sentence than the sentence that we have essee to be thunkful they were not made the embjects of Mr. Stabebry's analysis. Had they been submitted to him, and put to submitted to him, and put the sentence of the of Jaco. W. Straubal; then to the house of Jaco. B. Fallitys, occupied by J. McInton, the house of Jaco. B. Fallitys, occupied by J. McInton, the Co., cominsion merchants, and finally to the large frame building of Jasse Mooney, occupied by J. Joseph, clothier. On the occupied by J. Joseph, clothier.
